Phone: (+27) 69 653 2031

Email address: kronikwenaite@gmail.com

Address: 9373 Zone 4, Winnie Mandela, Tembisa, 1632

Professional summary

Creative and innovative web developer with a strong foundation in front-end technologies and a focus on enhancing user experience through efficient, visually appealing designs. Skilled in **ReactJS, Redux, NodeJS, Firebase & MongoDB**, with experience developing interactive web applications, including hotel and marketplace platforms. Known for creating professional and user-centric interfaces, designing unique **CSS Bootstrap & Tailwind** styles, and employing responsive, accessible layouts.

Proven ability to manage complex projects, work collaboratively, and deliver high-quality code. Proficient in multi-functional application features such as user authentication, product management, and custom search functionalities. Passionate about technology and continuous learning in development and design.
